Proposal and Application for Mini Grant
David Lawrence Jr. K-8 PTSA
2009-2010

Applicant's Name: Joe Smith Date: 8/15/09
PTSA Member: x yes no
Position: Teacher Department/Grade: Science/7
e-mail address: joejoe@xlm.com Telephone: 305-305-3053
Best time to contact: 8:00AM- 9:00AM

Title of proposed project: Rainy Day Recycling

Grade level and number of student proposal addresses: 6 & 7/ 200 Students

Brief description of proposed project: The students will make rain collection buckets and decorate them. They will place the buckets throughout the school area to collect rainwater. Once it rains the students will use that water to hydrate the indoor plants. The students will be on a rotating schedule for the collections responsibilities. The student will become environmentally active and responsible. They will also research the water cycle. This project will develop a connection with science as well as personal responsibility for the environment.

Projected budget for project (estimate of how the monies will be used):

15 Buckets: \$150.00
Paint: \$40.00
15 Bucket Lids: \$30.00
15 Watering Cans: \$150.00

Total: \$370.00

ALL APPLICATIONS MUST BE TYPED AND SENT VIA E-MAIL TO: diane@dianeshapiro.com
